

Reading Skills

The art of vocal percussion using syllables for rhythm is known as Konnakol. Recitation of Konnakol helps develop a stronger understanding of rhythm and rhythmic patterns. It is important to keep *talam* while reciting Konnakol.

[Click here](#) to download the list of recordings for the Reading Skills test. As preparation for the test, candidates should recite the following exercises in two speeds - each phrase should be repeated twice in the first speed, and then twice in the second speed. In the first speed, there is 1 syllable in 1 beat; in the second speed, there are 2 syllables in 1 beat.

Tempo: 70 bpm

1. Tha, Tha, Tha, Tha,
2. Tha Ka Tha Ka
3. Tha Ka Dhi Mi
